

ICICA 2025 Sept. 14-16 Oxford, UK

The 14th International Conference on Information Communication and Applications (ICICA 2025) will be held in University of Oxford, Oxford, UK during September 14-16, 2025.

Information Communication and Applications is a field that explores how information and communication technologies can be effectively integrated and applied across various domains to solve problems and improve efficiency. It encompasses the development and utilization of systems for managing, transmitting, and securing data, and extends to practical applications in business, healthcare, education, and entertainment. By combining insights from multiple disciplines, Information Communication and Applications aims to harness technological innovations to enhance connectivity, streamline processes, and drive progress in diverse areas of modern life.

We are expecting exciting conference programs with great scholars and researchers from different countries around the world, sharing new and stimulating innovations in information science and systems. We look forward to welcoming you at ICICA 2025 in University of Oxford, Oxford, UK!

CALL FOR PAPER

- Automated Software Engineering
- Bioinformatics and Scientific Computing
- Computer Animation
- Computer Games
- Computer Graphics and Multimedia
- Data Compression
- Digital System and Logic Design
- Wireless Communication and Mobile Computing
- Information Systems
- Knowledge Data Engineering
- Multimedia Applications
- Neural Networks
- Pattern Recognition
- Theoretical Computer Science
- Wireless Sensor Networks
- Distributed Systems
- Data Communications
- Expert Systems
- Human Computer Interaction
- Information Retrieval
- Mobile Computing
- Natural Language Processing
- Parallel and Distributed Computing
- Artificial Intelligence
- Biomedical Engineering
- Computer Architecture & VLSI
- Computer Graphics & Virtual Reality
- Computer Security
- Computing Practices & Applications
- Reconfigurable Computing Systems
- Security & Cryptography
- System Security

SUBMISSION

Language: All submissions should be written in English.

Submission Types: Abstract submission for presentation only without publication; Full paper submission for both presentation and publication.

Paper Length: The full paper should be no less than 8 full pages.

Submission Method:

- Submit your full paper or abstract directly to Electronic Submission System:

<http://confsys.iconf.org/submission/icica2025>

- Submit your full paper or abstract to email box: icica_contact@yeah.net

PUBLICATION

#CONFERENCE PROCEEDINGS#

Accepted papers after proper registration and presentation will be published in the International Conference Proceedings Series by **ACM**, which will be submitted for indexing by **Ei Compendex, Scopus**, etc.

#JOURNALS#

Submitted papers will be peer reviewed by conference committees, and some accepted papers after registration and presentation will be published into the following related journals.

Journal of Advances in Information Technology (JAiT)

ISSN: 1798-2340 (Online)

Impact Factor 2023: 0.9 & CiteScore: 4.2

Indexing: ESCI (Web of Science), Scopus, CNKI, etc.

Journal of Communications (JCM)

ISSN: 1796-2021 (Online); 2374-4367 (Print) | DOI: 10.12720/jcm

CiteScore: 3.4

Abstracting/ Indexing: Scopus, CNKI, EBSCO, DBLP, Google Scholar, etc.

IMPORTANT DATES

- Submission Deadline: May 25, 2025**
- Notification Deadline: June 25, 2025
- Registration Deadline: July 10, 2025
